**BEAR HUNT** 2023

As a school we have adopted our very own bear cub! (Keep your eyes peeled for our beary exciting fundraisers later in the year!)

At the moment our bear cub is very plain. He needs someone to jazz him up!  
That's where you come in...

This week I will be sending this design template to your teachers. If you would like to design a bear cub over the holidays you need to ask your teacher for the template. These must come back on Tuesday 21<sup>st</sup> Feb at the latest.
