(Rec)</p> <p>I know the location of Cookridge in the UK. (Rec)</p>

Key Information Learnt by the End of the Topic
<p>The Lake District is a National Park in the county of Cumbria in North-West England. It is the largest National Park in England. A National Park is a protected area of land, preserved for it's natural beauty.</p> <ul style="list-style-type: none"> The Lake district is home to over 16 bodies of water. There are over 200 mountains. The largest mountain is Scafell Pike which is the highest mountain in England. Around 41,000 people live in the Lake District. They mostly rely on tourism to make money. Over 15 million visit the Lake District every year. People visit to see the beautiful scenery, go walking, cycling or take part in water sports.
