

## Year 2 Homework—reminders

Just a quick start of term reminder about Year 2 expectations. If you have any further questions or are unsure of any details, please don't hesitate to ask.

### Reading books

On a Monday your child's reading books will be changed so need to be returned to school. They will receive 2 books each week. Please read both books as often as possible at home and write comments in their reading records each time. The more reading the better. Reading the same book more than once will help with your child's fluency and comprehension. If no comments from adults have been left in the reading records about those books then they will be sent home again. Please also leave your child's reading books and reading record book in their folder in case we have time to read with them through the week in school.

### Mathletics

Mathletics is our weekly maths homework to be completed online. We will set 2 tasks every Tuesday which we expect to be completed by the following Tuesday. The tasks we set link to the maths that we are learning that week in school so Mathletics homework should consolidate that learning. Log in details are in the front of your child's reading record book. Teachers are able to see who has completed the work.

### Spellings

Spelling tests will take place on Fridays. We will then send their blue spelling book home so that you can check how they did. Please return the book to school on Mondays ready for the following Friday. New spelling sheets will be in bookbags on a Friday. If you lose your spelling sheet, the spellings are also available on the Year 2 page of the school website. Please ensure that your children are writing down the spellings so that they are practicing their handwriting at the same time. Try to practice most days and have high expectations.
